

WEB DEVELOPMENT

Personal portfolio website

Beginner-level project. Requires HTML, CSS, and possibly JavaScript skills to showcase your projects and skills.

Weather dashboard

Intermediate-level project. Demands API integration skills to build a weather dashboard that displays real-time weather data.

E-commerce website

Intermediate-level e-commerce site with product recommendations, product listings and a shopping cart. Front-end and back-end skills needed.

Web application to-do lists

Build a user friendly web application that allows users to create and manage to-do lists.

WEB DEVELOPMENT

Calculator with basic mathematical operations

Create an online calculator for basic math operations - addition, subtraction, multiplication, and division

Restaurant website

Develop a restaurant site with menus, reservations, and event details to enhance the customer dining experience.

Event organizers website

Create an event organizer website, allowing users to plan, promote, and manage events with customizable features for an engaging experience

News Website

Create a news website that aggregates articles from global sources, providing users with a one-stop destination for diverse and up-to-date news content.

GUIDELINES

Dear Interns,

Welcome to the 2024 Internship Program! 🚀 To be eligible for your certificate, complete a minimum of 2 tasks and a maximum of 3 tasks. Keep these important dates in mind:

Submission Form Release: The submission form will be available on October 6. It's your chance to show off your work!

Submission Deadline: You must submit your tasks in the submission form by October 16. Please note that no extensions will be given.

Submission Process:

- Create a screen recording or video showcasing your project.
- Share it on LinkedIn.
- Tag us in your post.
- When the submission form is released, provide the LinkedIn post URL of your project video in the form.

Remember, we're here to support you. If you have questions or need assistance, reach out to us. Make the most of this internship opportunity and let's create something amazing together!

Best regards,

PINNACLE LABS
